PJF Farm and Lodge, “A Paradise in Disguise” is located 7 miles north of Ville Platte, Louisiana, and is nestled on 4,000 acres of land, some of which is a working crawfish and rice farm. We have 3 lakes and one pond all filled with bass, bream and sacalait. Our Bird Rookery is home to egrets, blue herons, roseate spoonbills, anhingas, cormorants, and many other species that come yearly during their nesting season of February through June each year. We are situated within the Bayou Chicot and Bayou Cocodrie watersheds and are home to three major ecoregions and five individual habitat types. Visit our website at www.pjffarm.com to learn more.
